IMPORTANT INFORMATION ABOUT THIS MAP:
 This final approved map represent the official Regulatory Critical Area map that is also represented in the State-wide Base map for the Town of Havre de Grace. The shoreline and wetland boundaries represented on this map may not be construed in any way, any statutory provision under Title 16 of the Environment Article, any regulatory provision under a nominal flying attitude of 4800 AMT, with a minimum 30% side-lap to achieve a 6' ortho-product. The imagery was processed to meet or exceed NMA standards for 1" = 100' map products. Supplemental data and imagery used to create the Critical Area Boundary were also produced at a scale of 1:1200 or 1" = 100'. Furthermore, any mapped shoreline and landward boundary of tidal wetlands represented on this map may not be used to delineate the minimum 100-foot buffer or expanded buffer delineations. The aerial photography is from 2016 Maryland State Highway Administration contract. All imagery for the project was captured as under Title 16 of the Environment Article, any regulatory provision under a nominal flying attitude of 4800 AMT, with a minimum 30% side-lap to achieve a 6' ortho-product. The imagery was processed to meet or exceed NMA standards for 1" = 100' map products. Supplemental data and imagery used to create the Critical Area Boundary were also produced at a scale of 1:1200 or 1" = 100'.
