The Honorable William T. Martin
City of Havre de Grace, MD

Havre de Grace, MD 21078

Mayor William T. Martin;

The Maryland Department of Housing and Community Development recently received a request to expand the Havre de Grace Main Street program boundaries from Ms. Johnson, Director of Economic Development for the City of Havre de Grace. I am pleased to inform you that the City of Havre de Grace's request to expand the Main Street program boundaries beyond Congress Street, along Market Street to Girard Street has been approved.

The Havre de Grace Main Street program has made significant progress since its inception in 2005. The boundary expansion will support the future growth of businesses in the downtown area, aide in preservation of historic buildings and sites, as well as increase the opportunities for residents and visitors to experience all of what downtown Havre de Grace has to offer.

Please refer to the attached map for the official boundaries. You may also view the boundaries on the DHCD website: <https://portal.dhcd.state.md.us/GIS/revitalize/index.html>.

If you have any question or need further assistance, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Christine McPherson".
