RESOLUTION NO. 2021-01 (As Amended)

Introduced by _____ Council President Glenn _____

**A RESOLUTION BY THE MAYOR AND CITY COUNCIL OF
HAVRE DE GRACE, MARYLAND, PURSUANT TO SECTIONS 33
AND 34 OF THE CITY CHARTER AND THE LOCAL
GOVERNMENT ARTICLE OF THE ANNOTATED CODE OF
MARYLAND TO ADOPT A GEO CACHE POLICY**

WHEREAS, the Mayor and City Council of Havre de Grace are charged with the management, oversight, and use of City property for public purposes and in furtherance educational and charitable purposes; and

WHEREAS, “geocaching” has become a popular trend involving the use of cell phone technology and global positioning systems (GPS) to create a virtual treasure hunt, which may include educational information about local museums and historical sites; and

WHEREAS, the public parks in the City of Havre de Grace (“City”) have become a popular location for the placement of geo cache; and

WHEREAS, the City desires to grant permission for persons to place geo cache on City Property to promote the educational and charitable use of City property.

NOW THEREFORE, it is *determined, decided, and resolved by the City Council* that:

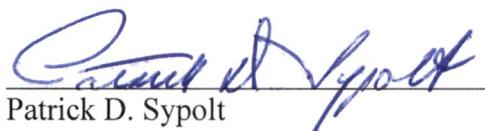

- a. Persons or organizations desiring to place geo cache on City property shall be required to enter into a license agreement substantially in the form as shown on Exhibit A.
- b. Each such license is to be considered by the City Council as all other licenses are processed, *except there shall be no fee associated with geo cache permits.*
- c. This Resolution and form of Geo Cache License shall be described and placed on the City’s website.
- d. The City administration shall review the location of geo cache around the City and report to City Council on or before June 30, 2021 regarding any recommended changes or updates to the Geo Cache policy.

TO: Council President Glenn & Havre de Grace City Council

FROM: Stephen Gamatoria - Chief of Staff

REF: Geo-Cache Resolution 2021-01 (as amended) – Application and Policy Update, as required by Council at the November 18, 2020 City Council Meeting.

Council President Glenn and Members of Council

Upon passage of Resolution 2021-01, section d stated ***“The City administration shall review the location of Geo Cache around the City and report to City Council on or before June 30, 2021 regarding any recommended changes or updates to the Geo Cache Policy”***

The Administration has reviewed the locations of Geo Cache around the City and offers the following information and recommendations:

1. More than 30 current sites exist in the corporate limits of the City of Havre de Grace
2. More than 95 current sites exist within 5 miles of the City of Havre de Grace
3. More than 270 current sites exist within this region (Northeastern Maryland and Southern Pennsylvania)

Attached you will find the Resolution and Geo Cache Permit; MAP of Geo Cache sites in the City and abroad; Listing of locations of each Geo Cache; Revised Policy.

The findings indicate that Geo Caching is occurring throughout the City, and it appears to be self-regulated with very few complaints. However, it is not known if any of these activities are generating revenue for their owners, which would be a violation of City Code whereby an individual cannot use City property to prosper. For that reason- we should enforce the Geo Cache permitting requirements (without a fee) and continue to monitor Geo Caching activities. For now, those sites identified in attachment 1 shall be grandfathered. As stated in the revised policy “Compliance”, failure to comply with requirements of the permit and policy; causing a nuisance or creating a negative impact shall be cause to rescind the policy, remove and dispose of Geo Cache’s on City owned or leased property

TITLE: Geocaching within the City of Havre de Grace:

DATE CREATED: December 29, 2020

UPDATED: May 3, 2021

APPROVED BY: Stephen J. Gamatoria

SCOPE: - Prescribed guidelines and procedures for the management of “Geo Caching” activities on City owned or leased property that ensures resource protection, integrity and citizen and visitor safety, while encouraging responsible recreational activity.

GENERAL PROCEDURES:

Geocaching on City owned or leased properties may only be done during regular operational hours, and at no time may impede traffic, prevent others from accessing or using public spaces or cause damage to public property. It is expected that Geo Cacher's follow the requirements set forth in Exhibit A of Resolution 2021-01 “Geo Cache Permit and License Agreement”. The City of Havre de Grace accepts no responsibility for damage or loss of any cache or its contents.

GEO CACHE CONTAINERS AND CONTENTS:

1. Cache containers must be non-breakable, have some form of latch or other closing mechanism to prohibit content exposure to wildlife, and must be approved by the Planning Department
2. Each Geo Cache container, excluding micro-caches and virtual caches, must have an identification label affixed to the outside. Each label must be clearly marked “GEO CACHE”
3. Geo Cache's may not contain inappropriate or dangerous items. Such items include, but not limited to: Hazardous materials, food, medications, alcoholic beverages, personal hygiene products, pornography, weapons of any kind or fireworks.
4. Containers larger than 500 cubic inches must be transparent. Ammunition containers or boxes resembling ammunition containers are not permitted on City Property

GEO CACHE LOCATIONS

1. Location selection must not impede vehicular traffic or pedestrian traffic
2. Buried or submerged cache's are not permitted
3. Location's must be accessible to all citizens
4. Metal detectors are not permitted to be used at anytime

COMPLIANCE

1. Any Geo Cache found to be placed as a source to prosper financially will be removed
2. Failure to comply will be cause for removal and disposal of all Geo Caches
3. Should Geo Caching become a nuisance or have a negative impact on the use and enjoyment of the City owned property, the Administration shall rescind this policy and program.
4. Current cache sites that are identified in attachment 1 shall be grandfathered.
