Havre de Grace, MD 21078

Dear John:

This past spring an ad hoc committee submitted a list of things which needed to be done in our City's parks and open areas. Some of the committee's suggestions involve the purchase of equipment which would properly come under your committee.

Enclosed is a copy of the report for your review. Below I have listed the capital improvements which will require funding. Could your committee establish a priority with these items and give me a time line of when and if you intend to request them.

- 1) Tydings Park
 - a) erect a band shell
 - b) upgrade playground equipment
 - c) purchase new benches, grills, tables, and drinking fountains

- 2) Mini-Park
 - a) erect permanent sanitary facility
 - b) install a small pavilion such as the one at Jean Roberts Park with water and electricity
 - c) install more benches
 - d) remove some pilings to permit large tow boats to dock

- 3) Concord Fields
 - a) repair and improve playground equipment
 - b) provide better trash containers
 - c) plant shade trees and provide benches

Cordially,

DAVID R. CRAIG
Mayor
